A 3x3 grid of rounded squares. The top row has three squares with red borders. The middle row has a large square with a blue border on the left, two small squares with blue borders in the center, and a large square with a red border on the right. The bottom row has three squares with blue borders. The entire grid is enclosed in a large blue rounded rectangle.A blank sheet of graph paper with a grid of squares. The grid consists of 10 columns and 10 rows of squares. Each square is outlined by a thin black border. The entire grid is contained within a larger rectangular frame with rounded corners.
