

A 3x3 grid of rounded squares. The top row consists of three squares with red borders. The middle row consists of a square with a blue border on the left, two small squares with blue borders in the center, and a square with a red border on the right. The bottom row consists of three squares with blue borders.

A 3x3 grid of rounded squares, each with a thick border. The borders are colored in a checkerboard pattern: the top-left, bottom-left, and bottom-right squares have red borders, while the top-middle, top-right, middle-left, middle-right, and bottom-middle squares have blue borders. The center square (middle-middle) is the only one with a red border. All squares are empty, intended for a 3x3 magic square.
